

Willy Dock Package

Willy Dock packages are our most affordable kayak dock packages. The single float section provides a safe stable surface and provides enough room to store your kayak out of the water when not in use. The lower brackets are specifically designed and manufactured for these floating docks allowing for water level fluctuation. In addition a 4" PVC pipe will need to be purchased and pounded into the seafloor. The PVC pipe can be purchased from AccuDock® or your local hardware store.

PACKAGE INCLUDES

4' x 8' x 8" OR 5' x 8' x 8" Framed Float (1)
Set of Lower Brackets (1)
