Taylor comes to AccuDock with over 10 years of marketing experience in the luxury travel and hospitality industry. She received her bachelor's degree in Communications from Indiana University of Pennsylvania.

AccuDock®

AccuDock® has over 20 years of experience in providing customers with floating dock solutions to meet their specific needs. Since its inception in 1993, AccuDock® has remained customer focused and 100% committed to providing the highest quality and most innovative products at a competitive price.

What separates AccuDock® from other floating dock companies is the ability and willingness to work with each customer on creating the ideal floating dock solution that allows them to maximize their waterfront experience while also enhancing the natural beauty of each individual install location.

AccuDock® is a global leader in the design and manufacturing of floating docks for all market segments ranging from residential installs to large customized commercial applications. Their main goal is providing each customer with the highest quality product and customer experience.
