

Canoe Dock Package

We have engineered the 14' x 17' Canoe Dock to tailor to the specific needs required by the extended length and width of canoes and the 8" surface height provides the perfect access point. The surface area of this canoe launch system also provides ample space to launch, retrieve, and store your canoe when not in use.

PACKAGE INCLUDES

- 5' x 7' x 8" Framed Floats (2)
- 5' x 6' x 8" Framed Floats (4)
- S-Style Connectors (8)
- TC-Style Connectors (2)
- 4' Underwater Connector
- 4' Overhead Assist Bar (1)
