

Kayak Slip Dock Package

Providing plenty of surface space and stability, our 8'x12' Kayak Slip Dock is the most popular kayak dock setup. The continuous overhead assist bar further increases ease of use and makes launching and recovering a kayak easy for any level paddler. The Kayak Slip Dock can be upgraded further to include the Safe Launch accessory which provides additional comfort and stability by keeping the kayak in place during entry and exit.

PACKAGE INCLUDES

- 4' x 8' Framed Float (1)
- 30" x 8' Framed Floats (2)
- S-Style Connectors (2)
- TC-Style Connectors (2)
- Underwater Connector (1)
- Overhead Assist Bar (1)
